

## CBeebies Autumn Highlights

### Balamory – Winter Special

[www.bbc.co.uk/cbeebies](http://www.bbc.co.uk/cbeebies)

It's winter in Balamory and everyone's looking forward to the holidays. In this winter special there are all the usual characters, great stories and songs, mixed with a little winter magic to create an episode that will warm the hearts of both pre-school children and their parents alike.

Join PC Plum, Archie the Inventor, Spencer the Painter, Edie McCredie, Josie Jump, Suzie Sweet, Penny Pocket and Miss Hoolie this autumn on CBeebies.

One of the most popular series on CBeebies, Balamory is a live-action daily programme for pre-school children, set around the adventures of the small island community of Balamory in Scotland.

Each programme blends drama and documentary to provide an entertaining and informative experience for viewers, as well as giving them some new, larger-than-life friends in the shape of the regular characters.

Each day's stories are set in the picturesque village of Balamory, where pretty, coloured houses nestle around a charming harbour. As well as the narrative of the day's events, each programme will contain songs, poems, dances and a Story of the Day, all revolving around Balamory life.
